To bid in this auction, you should do the following before the auction begins to close on Sat., Feb. 17, 2024 at 10 a.m. ET. **Register to bid at maurerail.hibid.com. Be sure to whitelist maurersauctions@gmail.com to receive all auction information, including end of sale invoices & other pertinent information. (If You Do Not Have Internet Access Or Would Prefer To Leave Absentee Bids, Please Call Kathy At 484-941-2126 Before Friday, Feb. 16.)** Pick The Items You Would Like To Bid On and PRE-BID with realistic numbers. We cannot stress this enough. Items can be lost in the final seconds due to last second bids, internet outages, power or site failures. To guard against this, trust the computer to bid on your behalf up to your maximum bid amount. Example A: You place a bid of \$100.00 for an item. Someone else bids \$50.00 and no one else bids, then you win the item for \$55.00. Example B: You place a bid for \$100.00 on an item. Someone else bids \$100.00 and no one else bids, you still win the item for \$100.00 because your bid is the first bid placed on that item. Example C: You place a bid for \$100.00 on an item. Someone else bids \$110.00 in the final seconds. Bidding automatically extends for 2 minutes or until no further bids are placed.

The credit card you register with will be charged for any purchases at the end of the auction. Successful bidders will receive an invoice by email within 24 hours of the auction close. **Unless otherwise noted in the "note" section of the bidder registration, it will be assumed that any lots won are to be shipped.** If you wish to pick-up any lots won, we ask that you please leave us a note in the "note" section of the bidder registration. If you have purchased from us in the past, you may request in that "note" to make payment in cash or by approved check. All purchases must be paid for & picked up within 2 weeks of the auction close. Please call Kathy Maurer at 484-941-2126 to arrange a mutually-agreeable pick-up time.

This is an online auction only. All sales are final. Bid early & bid often. Auction closes quickly! Using the maximum bid feature will allow the software to bid on your behalf without raising your bid immediately.

Bidding is internet only. Lots will begin to close in lot number order every 30 seconds until auction is completed. The soft-close (extended bidding feature) will be activated if a bid is placed

within that 30 second interval and will allow bidding on that item to be extended by 2 minutes.

No In-Person Preview.
