To guard against this, trust the computer to bid on your behalf up to your maximum bid amount. Example A: You place a bid of \$100.00 for an item. Someone else bids \$50.00 and no one else bids, then you win the item for \$55.00. Example B: You place a bid for \$100.00 on an item. Someone else bids \$100.00 and no one else bids, you still win the item for \$100.00 because your bid is the first bid placed on that item. Example C: You place a bid for \$100.00 on an item. Someone else bids \$110.00 in the final seconds. Bidding automatically extends for 2 minutes or until no further bids are placed.

The credit card you register with will be charged for any purchases at the end of the auction. Please call Kathy Maurer at 484-941-2126 to arrange a mutually-agreeable pick-up time.

This is an online auction only. All sales are final. Bid early & bid often. Auction closes quickly! Using the maximum bid feature will allow the software to bid on your behalf without raising your bid immediately.

Bidding is internet only. Lots will begin to close in lot number order every 30 seconds until auction is completed. The soft-close (extended bidding feature) will be activated if a bid is placed within that 30 second interval and will allow bidding on that item to be extended by 2 minutes.

No In-Person Preview.

TAX EXEMPT? – PLEASE MAKE SURE WE HAVE YOUR CURRENT TAX CERTIFICATE ON FILE. EMAIL A COPY TO MAURERSACTIONS@GMAIL.COM. BE SURE TO INCLUDE YOUR NAME & YOUR BUSINESS NAME.
